

## Registration Information 2026/2027 School Year

Thank you for your interest in Sonrise Christian Preschool! We hope to serve your family and provide an atmosphere of care, development, growth, and learning for your child.

### Community Registration is on Saturday, January 31, 2026, 9 – 10 am

Enter Sonrise through Door #8 near the playground; Registration is in The Studio

Registration is in person, and you will have immediate confirmation of your child's placement during Community Registration

Registration packets are available in the Sonrise Church Office, Door 10, between 8:30 – 3, Monday through Friday, or you can contact Kristy with specific questions or for a tour and information about the preschool. Registration forms are available online at [www.sonrisefw.com](http://www.sonrisefw.com), under the "Sonrise Christian Preschool" tab. If you are unable to register in person, you may drop off your completed application on Monday, February 2, or later in the church office.

We recommend that you schedule a tour. This will help you to answer your questions and concerns, to view our rooms and environment, to observe the way the teachers interact with and stimulate the children. Many times, a tour helps parents determine if Sonrise Christian Preschool fits the needs of each child and family.

Students who are currently enrolled and the families that attend Sonrise Church are the first to register for the next school year, so many classes are filled prior to Community Registration. If you do not receive a confirmed spot in the class of your choice, you have two options:

1. Your child can be placed in another open class but keep your child's name on a waiting list in case the class of your choice becomes available. You can be on the waiting list for many classes.
2. Your child can go on a waiting list only, with no guaranteed placement. If you choose this option, you do not need to pay a registration fee. If you are on a waiting list, we typically experience a great deal of change between registration in the winter and the start of school in the fall. Many times, a spot will become available, especially in August.

Even if all the children who are currently enrolled in the Preschool register again for next year, we have more spots available than children to place in that age group. For example, during the current 2025/26 school year, we have 30 Two-Year-Old students who are currently enrolled and 56 spots in the Three-Year-Old classes next year. Likewise, we have 56 Threes who are currently enrolled, and we have room for 74 students in the Pre-K classes (4s/5s).

You may want to consider the option of afternoon preschool; these classes offer great flexibility and tend to be very peaceful and relaxed. Children are loved all morning at home or with a caregiver, then often come to school ready to enjoy friends and work on school tasks. Contact Kristy to arrange a tour to observe firsthand the benefits of an afternoon schedule.

If you have had children at Sonrise in previous years but have a gap in years before the enrollment of your younger child, contact Kristy.

To register, each child needs to have a completed packet of information, which includes:

1. An Application for each child
2. Registration fees for each child:
  - \$45 for the first child
  - \$75 for two children in the same family enrolled during the same school year
  - \$95 for the three children in the same family enrolled during the same school year
3. A copy of your child's immunization record

Tuition payments begin August 1 and are due the first of each month August – April. You will not have payment in May. If you enroll after school begins in August, you owe two tuition payments.

In July, you will receive a class confirmation packet containing information about your child's class schedule, the school calendar, preschool policies, and a supply list for your child's class.

I look forward to growing with you and your family!

Kristy Abramowski, Preschool Director
