

Sonrise Christian Preschool

Registration Information 2026 - 2027 School Year

Thank you for your interest in Sonrise Christian Preschool! We hope to serve your family and provide an atmosphere of care, development, growth, and learning for your child.

You have three options to access a registration packet:

1. Pick up a registration packet in the Sonrise Church Office, Door #10, between 9 – 3 Monday through Friday.
2. Registration forms are available online at <https://www.sonrisefw.com/>, under “Sonrise Christian Preschool.”
3. Contact Kristy Abramowski, Preschool Director, with specific questions, to schedule a tour, and to gain more information about the preschool. If you are ready to register, you turn in your application and fees to Kristy.

We recommend that you schedule a tour. This allows us to answer your questions and concerns, to give you a view of our rooms and environment, and you can observe the way the teachers interact with and stimulate the children. Many times, a tour helps parents determine if Sonrise Christian Preschool fits the unique needs of your child and family.

Each child that you register will need to have a completed packet of information, which includes:

1. A completed Application for Preschool, including a signed Emergency form, Notice to Parents form, and a Financial Agreement form for each child.
2. Registration fees for each child:
Fees are: \$45 for the first child
 \$75 for two children in the same family during the same school year
 \$95 for three children in the same family during the same school year
3. A copy of your child’s immunization record.

Our registration for the 2026/27 school year was in January and February, so many of our classes were filled at that time. However, we experience a great deal of change between registration and when school begins in the Fall. If you do not receive a confirmed spot in the class of your choice, you have two options.

1. You can be placed in another open class but list your child’s name on a waiting list in case the class of your choice becomes available.
2. You can put your child on a waiting list only, with no guaranteed placement. If you choose this option, you do not pay a registration fee. You can be listed on multiple waiting lists. Typically, most changes in class lists occur in July and August.

Your registration fee and entry on the class list secure your class of choice for your child for next year. Checks are payable to **Sonrise Christian Preschool**.

Tuition payments begin August 1 and are due the first of each month August – April. You will not have a payment in May. If you enroll after school begins, you owe two tuition payments.

In July, you will receive a class confirmation packet containing information about your child’s class schedule, the school calendar, preschool policies, and a supply list for your child’s class.

We look forward to growing with you and your family!
